

eCourse description

As the final quarter for ministry training before Leadership and Deployment, Quarter 7 revisits key areas of content with a more seasoned perspective and invites students to deepen their ministry through advanced training instructions, methods, and experiences.

Course Overview

- Recall and apply teaching on identity and renewal of the mind to the topic of Advanced Ministry Training.
- Articulate Catholic teaching on the ministry of angels and their role in the ministry of the believer.
- Explain and invite students to embrace the connection between intimacy with God, charity to a neighbor, and proper self-care as key to longevity in ministry (Mk 12:30-31).
- Developing more confidence in prophetic ministry through real-world activations and homework that invite students out of their comfort zones.

- Broadening the scope of prophetic ministry through teaching and training on dream interpretation and its theological and scriptural roots.
- Preparing students with theological language for manifestations and stewarding others with insight and discernment.
- Training students in the fundamentals of leading an onsite or online healing service.
- Providing insight from frontline evangelists working with those in various counterfeit movements like the Occult and New Age Spirituality.
- Demonstrate student integration of curriculum through comprehension of supplemental reading, homework assignments, and participation and accountability in-class discussion groups.
- Evaluate growth and maturity through opportunities for increased risk-taking and real-time feedback.
