

**Course description**

God has revealed himself as the Lord who “heals the brokenhearted and binds up their wounds” (Ps 147:3). In this quarter, students will be equipped to engage in the ministry of inner healing and freedom. Students will have the opportunity to grow in God’s heart and desire to see the broken made whole and seek to cultivate tools and skill sets to partner with the Holy Spirit to bring healing to the heart. Students will learn the anatomy of the wounds that we experience in life and how to partner with Jesus to bring freedom from the lies, unforgiveness, and disorder that come as a result of these wounds. Jesus also desires his children to be free from the influence of evil spirits. This quarter also teaches how to lead people into greater freedom from the influence of the enemy and to walk in the full protection of God (Ps 91, Eph 6).
