Homework: God’s wisdom is evident throughout scripture. Looking at the life of heroes in the Bible, it is clear that God provides coaching to those that seek him. Spend time this week and ask God to reveal new wisdom from Scripture for you or for someone in your life who has a heart for God but is unsure what their next step is. Journal your experience of how you came to know God’s presence on the passage, what the passage itself was, who you shared it with, and how it was received.
