

“Yet once more I will shake not only the earth but also the heavens.” This indicates the removal of things that are shaken—that is, things that have been made—so that what cannot be shaken may remain. Therefore let us be grateful for receiving an unshakable kingdom.” - Hebrews 12:26-28

In our days... in vast areas of the world the faith is in danger of dying out like a flame that no longer has fuel.... God is disappearing from the human horizon, and, with the dimming of the light that comes from God, humanity is losing its bearings, with increasingly evident destructive effects. - Pope Benedict XVI

Jesus' Mission: Luke 4:18-19

“Healing is an essential dimension of the apostolic mission and of Christian faith in general. [Christianity is] a “therapeutic religion”—a religion of healing. When understood at a sufficiently deep level, this expresses the entire content of “redemption.” - Pope Benedict XVI, Jesus of Nazareth, I.176

“In that hour he cured many of diseases and plagues and evil spirits, and on many that were blind he bestowed sight. And he answered them, “Go and tell John what you have seen and heard: the blind receive their sight, the lame walk, lepers are cleansed, and the deaf hear, the dead are raised up, the poor have good news preached to them...” Luke 7:21-22
