The Big Picture: Fruits To Roots

Class 2 - Session 1

Q4. Inner Healing and Freedom

Wounds - the bad things that are done to us by others.

Traumas - the bad things that happen to us by circumstance.

Type A Trauma = a deprivation of love and care. (Example - not being loved or cared for or loved by a parent)

Type B Trauma = the bad experiences that happen to us. (Example - a car accident, divorce, death of a loved one)

Lies - the false beliefs that we come into agreement with about ourselves or God.

10 “Now have salvation and power come, and the kingdom of our God and the authority of his Anointed. For the **accuser** of our brothers is cast out, who accuses them before our God day and night.”

-Revelation 12:10

Guardian Lies - false negative beliefs/lies that block the healing work in some way.

Inner Vows - internal commitments and decisions we make to protect ourselves from future wounds or traumas.

Principal: my vows based on reacting to a wound or a trauma will create an even greater wound in my life.

Goal of Ministry: to move from the bad fruit and get to the root.

Context of Prayer: connecting people to
Jesus.

Discernment of Spirits - supernatural knowledge of the motivating spirits, good or evil, involved a particular person or circumstance.

25 ““You deaf and mute spirit,” he said, “I command you, come out of him and never enter him again.” -*Mark 9:25*

“In the name of Jesus, I renounce the
